NOTICE is hereby given that under the authority of the "Noxious Weeds Act," chapter 272 of the "Revised Statutes of British Columbia, 1924," and of the "Noxious Weeds Act Amendment Act, 1930," chapter 76, section 21, the following regulations with regard to screenings were approved by Order in Council No. 444, dated April 16th, 1930:—

#### REGULATIONS.

1. In these regulations the expression "Grade B screenings" shall have the meaning given to that expression by subsection (1) of section 20 of the "Noxious Weeds Act"; and the expression "permit" shall mean a permit issued by the Minister pursuant to subsection (4) of that section.

2. The Minister may, in his discretion, prescribe different forms of permits for different cases, and may set out in any permit the conditions to which it shall be subject.

3. All permits shall be issued in duplicate and shall be numbered. One duplicate shall be retained by the person to whom it is issued, and the other shall be delivered by him to the manager of the grain-elevator, mill, or warehouse from which screenings are removed by virtue of the permit.

4. Every permit shall be subject to all the conditions set out in these regulations, and every person to whom a permit is issued shall observe the provisions of these regulations.

5. The manager of every grain-elevator, mill, or warehouse from which screenings are removed shall, not later than the tenth day of each month, cause to be prepared and delivered to the Minister a report of all screenings removed therefrom during the last preceding month. The report shall state the name and address of each person by whom screenings were removed, the date of removal, the quantity and grade of screenings removed, and the number of the permit (if any) under which the removal was authorized.

9. No screenings shall be transported over or along any public highway unless they are loaded in a conveyance or container so constructed as to prevent screenings from escaping or falling therefrom or are contained in closely woven sacks.

10. All Grade B screenings shall be stored or kept in tightly constructed buildings or containers or in closely woven sacks.

11. Every person by whom Grade B screenings are had or kept in a manner other than as provided in the last preceding regulation shall forthwith cause the screenings to be hurned so as to ensure their complete destruction, and to prevent their being scattered by the wind or in any other way.

## DOMINION ORDERS IN COUNCIL.

P.C. No. 722.

CERTIFIED TO BE A TRUE COPY OF A MEETING OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 3RD, 1930.

THE Committee of the Privy Council have had before them a report, dated 19th March, 1930, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive timber operations in the vicinity of Stave Lake in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar logs for a period of six months; that owing to the congested state of the cedar market several extensions of time have been granted by Orders in Council to the aforesaid mentioned Company to continue exporting, the last extension having been authorized by Order in Council dated 21st August, 1929, for a period of six months from the 22nd July, 1929, and whereby the material exported was subject to the payment of dues at \$3 per thousand feet, B.M., on logs grading No. 1; \$2.50 per thousand feet, B.M., on logs grading No. 2; and \$2 per thousand feet, B.M., on logs grading No. 3, which dues are in excess of those charged under the Regulations governing the disposal of timber cut from licensed berths on Dominion lands.

The Minister states that this export privilege has worked out to the satisfaction of the local timber merchants as it enables a large quantity of low-grade cedar to be taken from the booms which is not in demand locally, and such action not only encourages the logging of a good deal of timber that would otherwise be unmerchantable but at the same time provides considerable employment for settlers and bushmen in the vicinity.

The Company has applied for a renewal of the permit stating that it is the intention to use the same for the export of low-grade cedar logs to the Japanese market only and thereby find a sale for a class of material which it is impossible to dispose of to the domestic trade.

The Minister, therefore, believing it to be in the public interest, recommends that a further extension of six months from the 22nd January, 1930, be granted the Company to export cedar logs subject to the payment of dues as authorized by Order in Council of the 21st August, 1929, the operations to be subject to such conditions as he may determine and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

P.C. No. 587.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 14TH MARCH, 1930.

THE Committee of the Privy Council have had before them a report, dated 8th March, 1930, from the Minister of the Interior, submitting:—

That the Deputy Superintendent-General of Indian Affairs has made application for supplementary title to the timber on the following lands in the Province of British Columbia: Fractional Legal Subdivisions One and Eight and Legal Subdivision Nine of Section Thirty-one, Fractional Legal Subdivisions Four and Five and Legal Subdivision Twelve of Section Thirty-two outside Lot Forty-seven, in Township Fifteen, Range Twenty-six, west of the sixth meridian; area, 144.90 acres, more or less.

That the timber remaining on the said lands has been estimated at less than two thousand feet B.M. per acre, and of little value except as cordwood.

The Minister therefore recommends that under the provisions of the Order in Council dated the 5th day of October, 1926 (P.C. 1512), the control of the timber on the said lands be transferred to the Department of Indian Affairs.

The Committee concur in the foregoing recommendation and submit the same for approval.
